

# Wellness Golf Tourism around KOBE

## Golf × Wellness

True luxury that fulfills both body and mind!

Wellness Golf Tourism is not just a golf trip —

It is a new style of travel designed to restore and balance your mind and body.  
From the beginning to the end of your journey, you can refresh yourself in soothing natural surroundings and focus entirely on spending time for yourself, without any worries.  
We also hope you will take the opportunity to enjoy the charm of Japan's traditional culture and rich history.

All the arrangements—reservations, transportation, schedule management—are handled by our company.  
We provide comprehensive coordination tailored to your needs, including airport transfers, accommodations, golf course arrangements, dining, and a wide range of activities.

During your stay, dedicated staff will offer attentive support,  
providing a refined experience that aligns with each guest's personal lifestyle.  
We guarantee satisfaction equal to or exceeding the value of the fees involved.

Please note that this program is limited to one group per day.  
As preferred dates tend to fill quickly, we recommend contacting us early.
